### **Service and Support**

Peak Scientific will fully support all products listed until the date shown.

Peak [Protected] Service Plans, service kits and spare parts will continue to be available for these products until the support period has ended. After this time, we will endeavor to provide support for a further period of 1 year on a 'best efforts' basis, dependent on the future availability of spare parts.

Please contact your Peak Scientific account manager if you have a requirement for service kits/ spares.
