Effective Date

The extended support takes effect with the issue of this notice, products listed above are discontinued but fully supported until the date shown above.

Service and Support

Service kits and spare parts will be made available for these products until the support period end, after this time we will endeavor to provide support for a further period of 1 year on a 'best efforts' basis. Peak protected service plans are available until the date

shown above. Full support and best effort support periods may vary depending on future availability of spare parts.

Please contact your Peak Scientific account manager if you have a requirement for service kits/ spares, or a Peak Protected service plan.
