

# Product Obsolescence Notice

## PODN-005

NM240L – all variants

SCTOCA (500cc) – all variants

PG28L-PNEU – all variants

NG10LA

NG9-3LA-220

NG5000A-Cad – all variants

Precision 500 – all variants

ANG250 – all variants

ANG600 – all variants

ZA015 – all variants

ZA035 – all variants

NG250 – all variants

NG600 – all variants

NG1000 – all variants

ANG3000 – all variants

ANG3000A – all variants

## Scope

The purpose of this document is to serve notice of the obsolescence of a product, and, where applicable, advise of any new or alternative models that replace the discontinued products.

This notice supersedes any lifecycle notices issued previously for these generator models (DN-004, DN-006, DN-007, PRDN-001).

## Product(s) Affected by Product Obsolescence Notice

The following product(s) are affected by this notice, where applicable the replacement models and replacement part numbers are shown.

| Part No          | Model                                                | Replacement model                                                                                        | Part No                           |
