Last Quotation/ Order Date

Following the release of this notice, no new quotations for the affected products shall be issued. Please refer to the list if suitable replacement products for all new incoming enquiries.

The last order date for the affected part numbers will be December 31st 2022. Thereafter the models will be discontinued, and the manufacturing of these products will cease.

End of Life Phase

For any existing offers and quotations, pre-dating this notice, Peak Scientific will endeavor to fulfil incoming orders if placed on or before 31/12/22; due to reduction in stock levels we will not be able to fulfil any orders placed thereafter.

Service and Support

Peak Scientific typically offer service and support for discontinued products for a minimum period of 5 years. This is a guideline only and the Service and Support provisions for the affected products will be confirmed and communicated upon final discontinuation of this product in December 2022.
